

Add a Trip Scene

Hand-drawn sketch of a mobile app screen for adding a trip. The screen has a white background with rounded corners and a grey status bar at the top. It contains three input fields stacked vertically: "Name", "Location", and "Dates". To the right of the "Location" field is a plus icon in a circle, with a line pointing to it and the text "add another Allocation". At the bottom of the screen is a "Next" button. A small circle is at the very bottom, representing a home indicator.

Input the Name
of the trip and
the location(s) with
dates

Hand-drawn sketch of a mobile app screen for selecting friends. The screen has a white background with rounded corners and a grey status bar at the top. It features a title "Add friends" at the top. Below it is a list with two items: "Friend 1" and "Friend 2". Each item has a checkbox to its right, both of which are checked. At the bottom of the screen is a "Next" button. A small circle is at the very bottom, representing a home indicator.

Select friends who
have app installed
and add them to group.
If not installed and invite

Hand-drawn sketch of a mobile app screen for trip settings. The screen has a white background with rounded corners and a grey status bar at the top. It contains a large rectangular box with the text "Show Trip Settings" and "that were selected before create trip". Below this box is a "Create Trip" button. A small circle is at the very bottom, representing a home indicator.
